DEVELOPING A MULTICULTURAL & MULTIDISCIPLINARY MEDICAL COMMUNITY

The University of Washington Network of Underrepresented Residents and Fellows (NURF) is a resident and fellow organization sponsored by the Office of Graduate Medical Education and the Center for Health Equity, Diversity and Inclusion. We are a diverse body of residents, fellows, and faculty representing all specialties. Everyone who supports the mission is welcome to join and participate in NURF. We look forward to your involvement in our organization.
